D.O. No. 141/Exc. 3

FINANCIAL SECRETARIAT.

Dated Bangalore, 1st September 19[illegible].

Dear Sir,

Your letter of yesterday. I shall have the loan advertised in the Amrita Bazar Patrika also. I am sending the matter for publication to-day.

You may remember that on the last Birthday occasion you read the whole file regarding the import of gold. The Government of India have after all refused to comply with our request and I herewith send a copy of their letter and also my note in which their arguments are examined. The file is in course of submission in the usual course but in view of the interest you have taken in the case I have thought it well to send you the papers relating to the closing stage of the question.

When I met you last, I referred to a speech of Mr. McKenna, Ex-Channcellor of the Exchequer, on National Expenditure. The part of his speech to which I would like to invite your reference is printed on page 8 of the Bankers Magazine which I herewith send for your perusal and return.

Yours sincerely,

Mirza Ld. Ismail, Esq., B.A.,

Huzur Secretary to His Highness

the Maharaja of Mysore,

BANGALORE.
